Direction from Dubai:

Stay on E10 and then be on track to take Sheikh Zayed Bridge. After you cross the bridge just stay on the same road (cornich road) and take 'Al Reem Island' or 'Sheikh Zayed Street' exit on your right hand side. Then you will cross 3 signals straight (salaam street) and on the 4th signal you'll turn left and then first right (Suzuki showroom) and come straight until you reach ADNOC petrol station Junction Point, take left after you cross the junction. Come straight and you will find our Showroom on your left side.
